Dear Ms. Hench:

As neighborhood leaders, it is our responsibility to help build a better community. One of the ways to do this is to help educate our youth.

At the LAX Coastal Area Chamber of Commerce, we are continually working to help mentor and instruct our youth on the importance of education and civic responsibility. By working together with our students, we can help them develop the necessary skills to be productive members of society.

For the second year, the Chamber will host the Youth Summit career day. This event will be held on **Friday, November 13, from 10 am to 3 pm** at Orville Wright Middle School and will involve students from all the areas' middle schools including: Visitation, St. Anastasia, St. Jerome, Westchester Lutheran and Westside Neighborhood School.

Through donations from the community, this event will provide an educational and motivational day for the over 1,500 students that will last a lifetime.

We are asking that the Neighborhood Council of Westchester/Playa consider donating the following supplies for the event:

1500 Student lanyards with NCWP logo and website	\$2800
3000 Water bottles with NCWP logo and website	\$1400

Your sponsorship will garner publicity in the Chamber's Gateway Business News, collateral posters, banners, media releases, email advertising, website and throughout the event.

This event is not possible without the generous contributions of our partners. We truly appreciate your consideration and hope that you will help make this event a reality.

Sincerely,
