

What do YOU think of Playa del Rey's Culver Blvd.?

- What is a CDO? (Community Design Overlay) – and
 - HOW will it impact our community and businesses in lower Playa del Rey?
- What do you like about the Culver Blvd. area? (between Nicholson & the beach)
- What improvements would you like to see?

You are invited to attend a public meeting to have your views heard.

Sponsored by:

October 24th, 2009 - 10 am to 12 noon

Westchester Senior Center ~ 8740 Lincoln Blvd., Westchester
Park in the lot behind the 11th district Council office – Manchester & Lincoln

NOTE: CDO meetings will address design features, including color scheme, signage, sidewalks, landscaping, beautification possibilities of all sorts, but will NOT address size or scope of future individual developments. A special parking and traffic sub-committee will meet as part of this process at the NEXT meeting – Nov. 14th, and issues like crosswalks, stop signs, diagonal parking and other ideas that will address parking and traffic issues will be considered and discussed then.
