  *more for commercial use

Extinguishing Fires with the PASS method

➢ Pull the Pin
➢ Aim at the Base of the Fire
➢ Squeeze the Handle
➢ Sweep the Fire

Combination ABC, Dry Chemical Fire Extinguisher Recommended

Create an Emergency Plan

• Locate Safe Places in your residence and your neighborhood
• Make Sure Your Vehicle is Ready - Serviced and Fueled
• Decide What Supplies You Will Take in advance so you can pack fast
• Consider Exit Routes away from your residence in all directions
• Consider Places Where You Can Stay until things come back to “normal”
