The Buddy Bench Teaches Children to show Empathy and to be Inclusive
A child sitting on the Buddy Bench is a child in need of a friend!

Westchester Playa Del Rey Neighborhood Council wants to help our schools and playgrounds become more emotionally inclusive, happier, and a safer place for kids of all ages and all abilities! Buddy Benches are being used World-wide at schools to foster friendships on the playground.
Let’s help make school a SAFE and FUN place to grow!

To sponsor a Buddy Bench at a local school, please contact the Westchester Neighborhood Council Education Committee. Heather Tuttle, (310) 507-4456, hmh_hogan@yahoo.com
