

# Citywide Underground Transmission Cable Replacement Project **SCATTERGOOD – AIRPORT CIRCUITS**

## Construction Notice

From Monday, November 26, 2018, through June 15, 2019, 7 am – 6 pm, Monday through Saturday, LADWP will remove old and install new underground transmission cables to provide reliable power to the community. Underground work will take place starting at Imperial Highway and Pershing Dr. The project alignment then runs east on Imperial Highway, north on Aviation Blvd. into LADWP's Receiving Station N at Isis Ave. Work trucks will be parked over maintenance holes near these locations.

Traffic and parking may be partially impacted along these streets. Access to businesses will remain open. Alternate routes and extra travel time recommended.
